

The Neighbourly MORNING Tea

Labour Weekend 22-24 Oct 2016

Please join us this Labour Weekend to celebrate New Zealand's cultural and ethnic diversity and the contribution to our communities made by migrants, new comers and refugees, by hosting a most Neighbourly Morning Tea.

As Neighbourly members we invite you to bring together your neighbours by hosting a Neighbourly Morning Tea and celebrate all cultures that come together to make New Zealand a great society.

When you register you will be provided with everything you need to host a morning tea including tea and coffee from the Bell Tea Company and how to contact local people who will provide some cultural input. Your guests are asked to make a donation.

This fundraising event is to celebrate Multicultural New Zealand and its member associations who promote the economic and cultural contributions made by migrants, newcomers and refugees. Multicultural New Zealand is a registered charity – CC36978.
