Happy New Year to everyone. We trust it will be a prosperous and interesting year for all.

We have had our first committee meeting and there will be changes ahead. Diane has been treasurer for a few years and other activities are enticing her away. Thank you Kay for offering to do take over this position.

By the end of the year I will have been at the helm for 6 years, and know it is time for someone younger with different ideas to step up. Our email list continues to grow so there is a wide community interested in what is happening. Our Friday morning get-togethers do not suit those who work or who are committed to regular sports activities. If there were to be 2 of you who could work together running the network, that with the committee, could be manageable. So if you are interested, or know anyone who might be interested, please give me a call (347 8217).

We have sorted out a programme until June and would like you to mark very clearly the 20th April on your calendar, which is our QUIZ night when the funds raised will go to the new Aquatic Centre.

We look forward to meeting folk who are keen to meet others in our social network.

Regards
Joyce
